

# PEER TO PEER

## SUSTAINABILITY ADVISORY GROUP

### A NETWORK FOR PROFESSIONALS

working to advance sustainability through services, products or organizational design.

BUSINESSES  
PHILANTHROPIES  
MUNICIPALITIES  
NON-PROFITS

**THE SUSTAINABILITY PEER ADVISORY GROUP** helps members learn how to improve performance and reach organizational goals to achieve their vision, with support from high caliber business leaders, subject matter experts and experienced conveners and facilitators.

**DURING THIS YEAR-LONG PROGRAM** members meet every other month in Fort Collins, CO. Applications are accepted on a rolling basis and reviewed as space becomes available. Program is limited to 15 participants.

## AVAILABLE TO

- ✓ BUSINESS OWNERS
- ✓ MANAGERS
- ✓ ENTREPRENEURS
- ✓ SUSTAINABILITY DIRECTORS

**PEER TO PEER** work sessions, sharing best practices, team building activities, expert speakers, and peer accountability.

**USING ADULT LEARNING TECHNIQUES** like complexity science, systemic thinking, and critical thinking.

**DEVELOP** new networks and mentors while creating customized strategic approaches for your business and the community.

**SET** performance goals for your business and create metrics to measure them.

**CUSTOMIZED STRATEGIC APPROACHES** support internal sustainability and external brand relation within and outside your organization.
