Youth Climate Action Day

Saturday, April 23rd, 11am-5pm

At the 12th annual Earth Day Fort Collins event local youth will gather to train and inspire other youth on 5 different educational areas focused on climate change and how to take action. This event is led, organized, and implemented by youth who are aware of the effects of climate change on our planet AND they want to do something about it. Your support will help cover project costs and make this event a reality.

- **Talk About It** – Training on how to talk about climate change utilizing our free ebook, "[Communicating Climate](#)".
- **Act on It** - youth will participate in a community service project.
- **Learn About It** - information sharing with a panel of youth experts followed by a Q&A session.
- **DIY** - Educational session on composting (reducing greenhouse gas from food waste) & biking (alternative transportation).
- **Activate** - fundraising for a cause.
