

Youth Climate Action Plan

We hope you are planning to attend this year's youth climate action event on Sept. 16th, but if not, we've put together some helpful resources for you in this Action Plan.

We're excited about your interest in mitigating climate change!! We urge you to talk with others and try checking out our [conversation guide](#) for tips. We have also shared resources on how to contact local officials, sustainability lifestyle ideas, and instagram pages to connect to.

If you would like to be part of the team for next year's youth climate action day, contact kellie@sustainablelivingassociation.org

Ecological Footprint Calculator: find out how many planets it takes to support your lifestyle

Lifestyle changes to reduce your footprint:

1. [SLA Resources](#): 25 easy actions
2. [Shift Foco](#): simple everyday action that reduce your impact and save money

[Resources on How to Contact Government Officials](#). Including template emails, contact information on who to contact at local, state, and federal levels, along with other tips.

Make your voice heard locally! Attend City Council [1st & 3rd Tuesdays of each month!](#)

Stay updated through social media - Instagram pages we recommend:

- @intersectionalenvironmentalist
- @thezerowasteguide
- @futureearth
- @unep

Service Projects and other activities to continue your involvement:

1. Land management:
 - [CSU: land management](#)
 - [FOCO: natural areas stewardship](#)
2. Long term animal volunteer options:
 - [Rocky Mountain Raptor Program](#)
 - [WOLF Sanctuary](#)
3. Trash clean up
 - [Pick it Up FOCO](#)
 - [SLA Highway Clean Up, Poudre Canyon](#)
4. [Fossil Fuel Film Festival](#)
5. Reduce Food Waste
 - [Vindeket Foods](#)

We are excited about the contributions you will make to help mitigate climate change & make a positive impact on the world!

Let's take action!
